PLAYER CV

Jackson Dwanga

Central midfielder · Gor Mahia FC · South Sudan international · Age 23

SIGN PRIORITY · overall 7.3 / 10

Open talks before the January 2027 window. Agents: represent now. Federation: call up now.

Best role

Two-way 8 in a 4-3-3; left 10 in a two-10 midfield S01 S06

Strongest qualities

Work rate 7.8 · defensive transitions 7.6 · shooting from distance 7.4 · set-piece delivery 7.4 S06 S07 S18

Recent level

Starter for Kenya's champions; senior international for South Sudan S14 S01

Availability

Fully available; under contract to 31 December 2027, so talks run through Gor Mahia S01 S44

Why clubs should look

1. **69 points:** league champion with Gor Mahia in 2025/26, Kenya's biggest club S14
2. **7 senior caps** for South Sudan, with AFCON 2027 qualifiers under way S01 S44 S24
3. **40 metres:** his goal in the 2026/27 season opener, from a midfielder who also presses and counter-presses S18 S06

Player facts

Full name
Jackson Dwanga (known as Dwang) S01

Date of birth
26 December 2002 (age 23) S01

Nationality
South Sudan; born in Kenya S01 S11

Height and weight
Height 5,10; weight 70 kg; measured 24 October 2026 S01

Preferred foot
Both S01

Club and league
Gor Mahia FC, SportPesa Premier League (Kenya); shirt 10 S02 S01

Positions
Central midfielder (8); attacking midfielder (10); can play on the wing S01 S06

Set pieces
In-swinging corners from the right, free kicks and penalties S01

Career

Six seasons in Kenya's top flight with Nzoia, Posta Rangers, Bandari and Gor Mahia, which he joined in January 2026 and helped win the 2025/26 title S12 S13 S05 S02 S14. Runner-up for Young Player of the Year in 2019 S12. Played in Gor Mahia's 5-0 win over Rwanda's champions APR on the way to the 2026 Kagame Cup final S16 S17.

International: South Sudan senior team, 7 caps; debut against Mali in September 2023; started the 4-0 win over Djibouti that took South Sudan into the AFCON 2027 qualifying group stage S01 S44 S09 S39.

His game

Area	Grade /10	What it rests on
Technical	7.2	Progressive passing 7.3; shooting from distance 7.4; set-piece delivery 7.4 S06 S18
Tactical	7.3	Work rate 7.8; defensive transitions 7.6; role flexibility 7.4 S06 S04
Physical (observed)	7.3	Endurance 7.4; availability 7.4, injury-free since 2018 S08 S01
Mental	7.3	Man of the match in the Nyanza derby against Shabana; professional habits 7.4 S07 S08
Overall	**7.3**	Seven of eight core qualities in the East and Central African top-club band (7.0-7.9)

Scout grades from the public record and the player form. Press resistance and agility are graded at the full-match review of Gor Mahia 1-0 Bandari (24 October 2026) S41.

Where he fits

Ready-made for a coach who presses high: he curves his pressing runs, steps out to meet the receiver and counter-presses straight after a loss S06. Best destinations on record: top clubs in Tanzania, then Rwanda; a step to a North African or Gulf first division within two to three years S32 S33 S29 S30.

The plan we run

When	What
Now to December 2026	Contract and registration documents; full-match review of Gor Mahia v Bandari; Angola AFCON qualifier in November
January 2027 window	Shortlist of clubs that need his role; introductions and trial dates; move to a top East African club
2027 to 2028	North African or Gulf first division, then another continent, matching his own two-to-three-year goal [S01]
